The November 2026 Maple Leaf

I want to thank our members, volunteers, Board members, and staff for their continued support of Maple Lane Country Club.
We have made a number of improvements throughout the year, and we remain committed to making Maple Lane a place where our members and their families enjoy spending time together.
Even though golf season is winding down, there are still plenty of opportunities to enjoy the club. I encourage everyone to come out and participate in our upcoming holiday events!
Thank you for being part of Maple Lane Country Club.

⛳ Golf Course & Equipment

Our Golf Committee and Superintendent Austin Larson continue to evaluate equipment needs and plan for the upcoming season.

- **Equipment Maintenance:** We are reviewing necessary repairs and maintenance to our mowing equipment, including the Workman utility vehicle, sprayer, rough mower, and reel replacements.
- **Equipment Sales:** We continue to identify unused equipment that could be sold to help offset maintenance and repair expenses.
- **Irrigation Improvements: We are exploring the installation of a water meter to better monitor irrigation usage and improve efficiency.**

🏊 Pool Update

The pool has been fully winterized, and the steps have been removed and stored for the offseason. No additional concerns have been identified.

🏠 House & Grounds

Several maintenance and improvement projects have been completed or are underway.

- **Hole #7 Drainage:** After investigating the wet area near hole #7, we discovered a clogged field tile. The drainage pipe leading to the lake was replaced, and the repair appears to have resolved the issue. Final cleanup is underway.
- **Fall Workday:** Thank you to everyone who helped during our October 17 workday! Despite the cooler weather, we completed several projects, including parking lot patching and cleaning out the shed.
- **Kitchen & Bar Sidewalk:** Grass is beginning to establish along the sidewalk, and we will continue monitoring the area.
- **Clubhouse Improvements:** We are replacing the toilet in the upstairs men's restroom.
- **Sewer Charges: The Board continues discussions with the city regarding additional sewer charges.**

🎄 Social Events — December at Maple Lane!

We have a busy December planned and hope to see everyone enjoying the clubhouse throughout the holiday season!
