

## The August 2023 Maple Leaf

**As usual, the summer is flying by at Maple Lane! It's been great to see everyone enjoying the pool and the golf course. And there is plenty of summer left, so here are few reminders.**

**Assessment** – At the Annual Meeting in March 2023, the Club voted for a one-time assessment of \$275 to help pay for the pool. Thank you for all the members that have paid this assessment. Please review your invoice that is sent out every 45 days to see if you have paid this or not. We currently have \$20,000 in outstanding assessments that have not been paid. If you have any questions, please email [maplelanecc@gmail.com](mailto:maplelanecc@gmail.com)

**Family Members** – Once a family member turns 23, they are no longer covered under the Family Membership. They would need to pay guest fees or consider joining with our “Starter” Membership.

**Guests** – Guests are allowed at the pool and/or the golf course **up to seven times per year**. We are hearing of multiple violations – please remind all family members in your household of this rule. It is each member 's responsibility to sign in prior to playing golf or using the pool. Please help us manage this process. If your guests enjoy the Club enough to come out that often, encourage them to join!

**Golf** – Jim and the crew are keeping the course in great shape. Please do your part to maintain it by filling in divots in the tees and fairways. On the greens, please fix your divot plus one! Reminder that Tuesday is Ladies Day, Wednesday is Teenager day and Thursday is Men's day. Tuesday and Thursday nights are very active, please recognize that if you are playing on these nights, the designated members have the right of way. As a refresher, please review the [Golf Rules](#)

**Pool** – The pool heater will be fixed in the next week. Thank you again for all of your patience this year!

Have a great weekend!

Tom
