

The April 2025 Maple Leaf

Board Meeting Highlights – April 14th

All board members were present, and we welcomed our newest members, Mike Renner and Jarrod Martin. Key items approved:

Legacy Membership Freeze

Members who meet *both* of the following criteria are eligible to lock in annual dues at the current rate:

1. 30 consecutive years of membership
2. The oldest member listed on the certificate is at least 80 years old

Next Steps: If you qualify, please send a letter or email to maplelanecc@gmail.com requesting a Legacy Membership.

Special Note for 2025: Members who met the criteria as of January 1, 2025, may lock in the 2024 rate of \$1,100.

Credit Card Fee Update

The board has approved a 3% fee on all credit card transactions. Many local businesses already use this model. Our new Point of Sale system allows for efficient implementation.

Estimated Savings: \$5,000–\$6,000 annually for the club.

Elmwood High School – Course Usage

We're working with Elmwood High School to formalize a proposal for their golf and X-Country team's use of the course.

Goals:

- Establish a set schedule in advance
- Implement fees when the course is closed for team use
