

The June 2025 Maple Leaf

Welcome to Summer at MLCC!

As we head into the heart of the season, we're excited to share a quick snapshot of where we stand: 281 active members! To help maintain a high-quality experience for all, the board has voted to **suspend adding new Trial memberships** for now. On the financial front, Bonnie has been sending out invoices, so please get your dues turned in and consider paying your 2025 dues in their entirety. To help ensure a safe and fun environment for everyone, we kindly ask that you **review and share the club rules with your entire household**.

Thanks for being part of the club and here's to a great summer ahead!

Tom Conklin, President

GOLF COURSE UPDATES

Course improvements are being considered to enhance the playing experience at MLCC. The board is reviewing plans **for the #16 tee box expansion**, with private donations being pursued to fund the project. In addition, rock will be added around cart paths, and several trees near holes #6, #15, and the lake on #16 are scheduled for removal this summer to improve safety, aesthetics, and course maintenance. As a friendly reminder to all golfers, please **sign in at the Pro Shop during open hours or at the Bar** if the Pro Shop is closed. Also, **repair your ball marks on the greens and keep golf carts at least 30 feet away** from tees and greens to help preserve course conditions.

POOL NEWS

The pool season is off to a great start! Memorial Day weekend was a success, and we want to give a big thank you to Greg, the lifeguards and Pool Committee for hitting the ground running. The flow and chlorinator systems are working well, though still being fine-tuned for peak performance. Looking ahead, we plan to **replace the piping between the pit and pumps** immediately after the season wraps up. As a reminder to parents, **please pick up after your children** — several items of clothing and trash were left behind last

weekend. Let's work together to keep the pool, tennis courts and picnic table areas clean and enjoyable for everyone.

HOUSE & GROUNDS

Around the grounds, several updates and reminders are in motion. Please remember that children must be **at least 12 years old to be at the lake without a parent**. On **Tuesdays and Thursdays**, which are heavy golf days, **fishing is limited to the northside (by the picnic table) or the east side (along the dam)** for everyone's safety. We're also **reviewing electrical loads in the golf cart sheds** to ensure safety and efficiency. We are still looking for a **handyman** for small projects at a rate of **\$25/hour** — please reach out if you're interested or know someone who may be. In the **Pro Shop**, we're exploring cooling solutions as the current vent is blocked by the cooler. Lastly, the **tennis courts will receive an upgrade** with new **LED lighting and a timer system** to improve evening play.

SOCIAL

 **Memorial Day Potluck – Great Turnout!**

Thank you to everyone who joined us! It was a fantastic event filled with delicious food and great company.

 **4th of July Potluck – Mark Your Calendar!**

Don't miss out on our next celebration. Save the date and get ready for more fun, food and festivities!
