GOLF:

With the weather starting to warm up, the course will be open as often as possible. Please check to make sure carts are allowed. If you're not sure whether the course will be open or not, please check Facebook and MLCC website as we are trying to use all of the outlets we have to keep membership updated.

We are looking at a couple of different options to resolve the ongoing issue with the pump. Right now, the most cost effective involves getting the pump above

ground and covered. As we get more details finalized, we will seek help to utilize membership resources to help keep costs down.

Spencer is working with Hoerr Nursery to get some of the trees transplanted as we have raised over \$5,000 for that project. Many thanks to all who donated as your generosity is very much appreciated.

We will have information for Shady Ladies, Men's League and Youth League in next month's newsletter.
