**HOUSE & GROUNDS:**

The parking lot patching and hole repair was completed in October. Vacuum, seal coating, and line re-stripping are to be done in Spring 2019. Wallpaper stripping, wall repair, and painting to occur this month in the first big room you enter on the main floor and the vestibule. We are still looking at options for the sign replacement out on the lane.

Kevin Chaney & Jenni Case, Co-Chairpersons  
House & Grounds Committee

## **GOLF:**

Trail fee funds were used to complete a cart path extension that will serve Hole 15 as well as Holes 9 and 18. We hope to add / renovate other areas in 2019.

The early cold snaps has delayed planting additional trees we had planned. Remaining funds from tree donations will be used to plant when weather permits.

The pool house floors were repainted and pool winterizing is complete. Pool is closed for the season.
