### **HOUSE & GROUNDS:**

Wallpaper stripping, plaster repair, and painting has been completed in the Northeast room of the club as well as the vestibule before you get to the main room. A lot of the clutter has been removed from those rooms as well. A job well done by Marion Barton @ Pinkcasso. We are planning further painting projects in the coming months. Come check it out!! Jenni Case did a great job coordinating this huge effort.

Research is still being done on sign replacement on the lane. Research for new Point of Sale (POS) is currently being done for the bar, Pro Shop and pool. Jim

Monroe is gathering information and quotes for replacing some old and outdated furnaces within the club.

We will try to update Facebook and website with notice if course is open during milder days this winter but please stay off greens if any sign of frost.
