ADMINISTRATION

We have formed a temporary committee for "Membership" This committee was established to review the various types of memberships that we now have and update the applications and the membership list. They will also organize our communications and new member efforts for the Spring of 2018. Contact Kristy Johns (johns.kristy@gmail.com) or Mallory Miller (malloryf.miller@yahoo.com) if you'd like to participate.

HOUSE & GROUNDS

House & Grounds has several new projects we would like to complete this year. We are going to start with a re-vamp of the men's restroom in the Bar. That small updo will start early Saturday morning February 17th and hopefully be completed by Tuesday February 20th. We have been making headway in replacing ceiling tiles throughout the main house, and we will be completing that project with painting remaining stained and discolored tiles in the lower level before Spring.

Kevin and I will be looking at getting a new sign for the Club that will be out by the road and will be able to update the community on current events by computer. We are also taking bids for a redo on the parking lot along with striping. We have noticed that everyone's parking ability, without lines, has become very interesting.

There will be a new roof on the old cart storage shed before summer so our outbuildings should start looking a little better.

We have not had a meeting yet with volunteers, so if you have any ideas or would like to help us with projects we would welcome you with open arms. We will let everyone know when our first meeting will be, so please read the Blasts and look at our Facebook site.

Thanks for your patience and we look forward to a Great year!

GOLF

We have exceeded our fund raising goal of \$2500 and with our anonymous donor matching, will be filling in areas where existing trees have died this spring.

We plan to start with 7 or 8 trees. With remaining funds collected we will purchase additional trees next fall, so there's still time if you are still interested in supporting the effort.

Thanks to all who have generously contributed.
