HOUSE & GROUNDS:

If you didn't already know, the men's bathroom in the bar has been remodeled. We would like to thank Jim and Marly Monroe for their efforts. We would also

like to thank Andrew Almasi and Jim Monroe for their donation of the wood golf clubs that decorate the wall in the men's bathroom.

The club has accepted a check from the insurance company to repair/replace the flat roof that is leaking. Repairs and construction will be forthcoming within the next few weeks. The materials and labor will be warranted for 15 years upon completion. Marly Monroe has been instrumental in this endeavor and will so until completion. We thank Marly for her efforts here.

Marly Monroe has stepped down from the Board; we would like to thank Marly for all her continued hard work and efforts for the club.

Jenni Case has accepted the position on the board as well as being on the H & G Committee. We welcome Jenni. Jenni Case and Kevin Chaney will be meeting Jim & Marly Monroe on 4/15/2018 to do a house and grounds walk to get a better understanding of the club.

Kevin Chaney & Jenni Case, Co-Chairpersons
House & Grounds Committee

GOLF:

Planting for some of the new trees has begun. We have purchased and planted 7 trees this spring. Thanks again to all who donated to help make this possible. We plan to get the irrigation pump re-located to the pad above ground within the next two weeks as weather permits. We believe this will help with the recurring flooding and electrical issues we've had the past couple seasons.

We will be hosting a work day at the Club on Sunday, April 29. We will have projects to keep people busy so if you can, please try to show up and help at 1:00 p.m.

LEAGUE SIGN UPS:
