## HOUSE & GROUNDS

Insurance claims are wrapping up and we are planning smaller projects to update around the grounds.

We have re-evaluated the cart storage building on the southeastern corner; but unfortunately, it will still have to be taken down. We are currently working on addressing the member's carts that are located there to relocate them to our additional sheds.

The Pro Shop will begin new hours starting this weekend. It will be open:

Monday through Friday 12:00 Noon - 4:00 p.m.  
Saturday/Sunday 10:00 a.m. - 1:00 p.m.

PLEASE NOTE: The Pro Shop will close for the season on October 30th.

House & Grounds Committee

## GOLF

We had 13 couples for the inaugural Maple Lane vs. Timberlake Challenge with home and home matches in late September and early October. Teams from Timberlake won the initial "traveling" trophy by a slim margin but both clubs expressed an interest into expanding the event in 2018.

The golf crew is busy getting things wrapped up before the weather turns, but will keep the course open as long as conditions allow. There will be some repairs taking place during the off season and we are getting some bids to replace equipment.

We have had a couple members donate funds specifically for equipment; and if other members are interested in looking for ways to help, we are looking to replace the Gator, our sprayer and when funds allow, the tractor. If you would like to find out more, contact Matt or Brandon to get specifics.

The Board and Golf Committee also want to thank Jim, Mark, Nate and Spencer for their great efforts in 2017.
