GOLF:

We've re-seeded the east edge of the new green at No. 17 and it's growing well. Fairway ruts have been filled with topsoil and seeded ahead of cold weather so all signs are looking good for Spring of 2019.

We have plans to plant some additional trees along the lane over the next two weeks as long as the ground stays firm. Thanks again to all who donated to help with that effort throughout the year.

Funds from cart path fees are being used to put an extension between 6 and 15 tees with the hope we can utilize that trail for next year to save some wear and tear on our fairway. Weather permitting, we hope to have it framed and poured by Halloween.

Brandon Burwell & Jason Centers, Co-Chairpersons
Golf Committee
