

**OCTOBER 2018 NEWSLETTER
QUARTERLY DUES OF \$250 PAYABLE OCTOBER 1, 2018**

ADMINISTRATION:

Membership to start the third quarter is at 257.

2019 annual budget planning has started.

There are several capital projects under review, including cart path extension on Hole 15, a new sign for the entrance to the club, new entrance to the pool area (Pavement) and repairs and upgrades to the interior of the main building.

Dave Ramsay, President

HOUSE & GROUNDS:

Roof replacement on Golf Cart Shed has been completed. New rock has been placed in the shed. Carts are starting to move back in. A huge thanks to Jim Monroe for his work on this project.

New parking blocks and parking lines have been laid on the West side of the parking lot.

Still gathering quotes and ideas for a new club sign at the beginning of the lane.

Kevin Chaney & Jenni Case, Co-Chairpersons
House & Grounds Committee

GOLF:

We have started removing some of the diseased trees around the lake and will continue to do so around the course throughout the fall. We are going to use

remaining funds from spring tree donations to add maples along the entrance lane. We will also spot other trees along the lake and around the course as funds allow.

We've also had members step up to donate funds for a 20' flag pole at No. 1 Tee.

Jim and John also will be doing some fall maintenance as the season winds down. We have plans to aerate the greens at the conclusion of the schools' golf seasons in mid October.

The final scramble of the season had 49 players sign up with the team of Jim Northrup, Jim Copple, Eric Doubet and Dennis Rikena win with a 10-under.
